Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available at the bottom of the main page on our website.

The Information We Collect:

This notice applies to all information collected or submitted on the The K9 Intelligence Unit website. On some pages, you can order products, make requests, and register to receive materials. The types of personal information collected at these pages are:

- Name
- Address
- Email address
- Phone number
- Credit/Debit Card Information
- Professional information
- Other personal information
- (etc.)

On some pages, you can submit information about other people. For example, if you order a gift online and want it sent directly to the recipient, you will need to submit the recipient's address. In this circumstance, the types of personal information collected are:

Name
Address
Email address
Phone Number
(etc.)

The Way We Use Information:

We use the information you provide about yourself when placing an order only to complete that order. We DO NOT share information with outside parties except to the extent necessary to complete that order.

We use the information you provide about someone else when placing an order only to ship the product and to confirm delivery. We DO NOT share this information with outside parties except to the extent necessary to complete that order.

We DO NOT sell your information to others.

We use return email addresses to answer the email we receive. Such addresses are not used for any other purpose and are not shared with outside parties.

You may wish to receive our information provided by The K9 Intelligence Unit on an on going basis as well as updates on our new offerings, products and services. Information you submit on our website will not be used for this purpose unless you fill out a request form asking for said offerings, products and services.

We use non-identifying and aggregate information to better design our website and to share with advertisers. For example, we may tell an advertiser that X number of individuals visited a certain area on our website, or that Y number of men and Z number of women filled out our registration form, but we DO NOT disclose anything that could be used to identify those individuals.

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Our Commitment To Children's Privacy:

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at our website from those we actually know are under 18, and no part of our website is structured to attract anyone under 18.

How You Can Access Or Correct Your Information

You can access all your personally identifiable information that we collect online and maintain by Logging on to The K9 Intelligence Unit website and going to the My details page from the user menu. We use this procedure to better safeguard your information.

You can correct factual errors in your personally identifiable information by sending us a request that credibly shows error.

To protect your privacy and security, we will also take reasonable steps to verify your identity before

granting access or making corrections.

Security & Copyright Notice

The website and related software and server equipment are intended solely for the communication, transmission, processing, and storage of K9 INTELLIGENCE UNIT information. For site security purposes and to ensure that the K9 Intelligence Unit Website remains available to all users, THE K9 INTELLIGENCE UNIT

monitors network traffic to identify unauthorized attempts to upload or change information or to otherwise cause damage to the site.

All I.P. addresses accessing the website are identified and logged. Anyone using The K9 Intelligence Unit Website expressly consents to such monitoring.
